360-927-9208

Education

2010-2015

- **Illinois Institute of Technology**
Bachelor of Architecture

5-year NCARB accredited degree, graduated on Dean's list, awarded "Best of Class" studio project

Professional Experience

Jan 2026 - Sep 2026

- **Nordstrom**
Division Program Manager

Developed portfolio indices linking forecasted spend, customer satisfaction and physical store attributes that improved visibility into program overlap and investment opportunities, enabling more targeted capital priorities. Owned program standards across multiple departments for a national portfolio of Full-Line stores, managing implementation through renovations, FF&E rollouts and capital planning.

August 2023 - Dec 2025

- **Starbucks**
Store Concepts Designer

Contributed to the development of a patented new store format for the Licensed Store (LS) business. Created design standards & adapted global concepts for licensed environments. Served as a subject-matter expert on design criteria for cross-functional teams, supporting FF&E development, capacity-planning tools and Store Development process improvements.

April 2022 - March 2023

- **ZGF**
Project Architect

Implemented design standards from the new wing of Seattle Children's Hospital throughout the older campus. As Project Architect, I was responsible for the design and documentation of a half dozen minor renovations.

Oct 2018 - March 2022

- **Perkins Eastman**
Associate, Architectural Designer

Responsible for BIM template creation and standing up a content catalog for VIA Architecture, which merged with Perkins Eastman in 2022. As an Architectural Associate, I managed client relations and design goals, coordinated consultants, drafted construction documents and handled construction administration.

May 2016 - March 2018

- **B+H Architects**
Architectural Designer

Responsibilities included delivering key design goals for clients, coordinating consultants, building brand identity, conducting feasibility studies for proposed developments and drafting construction documents.

May 2014 - Jan 2015

- **Chipman Design Architecture**
Intern Architect, Brand Strategy

Developed conceptual design of store format and exterior brand elements for notable QSR brands.
